

HOW TO FIND THE RIGHT BAND MEMBERS FOR YOUR BAND

BAND MEMBER SELECTION CHECKLIST

STEP #1

Research every potential band members' social media pages and website(s) to understand their mindset, background & world view.

STEP #2

Hold an interview and get to know every potential band member on a personal level. See if you want to be around them for long periods of time.

STEP #3

Covertly test all potential band members to determine their loyalty, priorities, commitment and mindset.

STEP #4

Hold a musical audition to check if the potential new member has the skills to play your band's music.

STEP #5

Make a list of all the potential value and risk the new member could bring to your band and make your final decision.
